**BACKGROUND EXPLANATION:**

The Tulare General Plan Update is well underway and three public workshops have been held. We are at the point now where several alternatives have been discussed and direction from the Council is needed. Our general plan consultant will be on hand to discuss what has happened so far, what we need to do now and the likely schedule for the balance of the year. It is felt that a joint meeting with the Planning Commission would be highly beneficial and appropriate at this time.
