

## Ridgecrest General Plan Update

March 25, 2008

5:30 PM – 7:00 PM

Ridgecrest City Council Chambers

**1. Call to Order (5:30 – 5:35)**

**2. Policy Directions & Choices, Part II  
(5:35 – 6:25)**

At GPAC #6 and #7, the GPAC reviewed and refined a set of policy directions / choices. The report prepared was designed to recognize and discuss issues that pose the critical policy choices to the General Plan update and to frame a discussion of alternative actions that the City can take to address each issue. This information was used to help frame the alternatives, but before this goes to the Planning Commission and City Council, what would you add or change from the draft (note: GPAC's land use direction will be added)?

**3. R-2508 Joint Land Use Study  
(6:25 – 6:40)**

The R-2508 Joint Land Use Study (JLUS), which includes the Ridgecrest and the surrounding region, provides recommended strategies for the City. Review and discuss the document, recommended strategies, and their incorporation into the General Plan. Provide ideas on additional strategy ideas that may be effective in the City.
